TOURNAMENT INFORMATION

Tournament Format

All teams will play a four (4) team round robin pool on Saturday morning or Saturday afternoon. All teams will then be put into another round of four (4) team pools to be played on Sunday morning. On Sunday afternoon, all teams will advance into playoffs based on results from the two days of pool play.

Match Format

All matches will be 2 out of 3 sets. The first two sets will be to 25 points with no cap. The third deciding set will be to 15 points (switch sides at 8) with no cap.

PLEASE NOTE: NCR will NOT provide warm-up balls for this event.

Officiating

During pool play on Saturday and pool play Sunday morning, teams must officiate. In the 12's division the coach/registered adult **must** be the up official and a player may be the down official. All other age divisions (13's-18's) coach/registered adult must be the up or down official. Site directors are informed to make sure coaches are following these rules. There will be paid officials for all playoff matches. **The second referee for all playoff matches must be a registered adult.**

***NOTE—ALL GOLD Division only**-each court will have a paid up official all weekend. **The second referee for all matches must be a registered adult.**

Missed Officiating Duties

Failure to provide the officiating crew for your assigned matches could result in the forfeit of the first set of your next match.

Forfeits

If you forfeit any match other than your first, you will automatically finish fourth in your pool.

NOTE: If a team does not have five players at game time, they forfeit the first set. Then a 10-minute interval starts. If before the 10 minutes, they get six players, then the match starts immediately. If they don't have six players at the end of 10 minutes, the 2nd set is forfeited. They can't take time outs to extend the time. You have to have a legal team to take a time out (and the ref will have to have started the match by whistling the teams to the end line –neither of which can happen without six players).

During pool play, a team can play with five players however; the match will count as a forfeit. During play-offs no team can play with less than six players.

Score for a forfeit is 25-0, 25-0.

If there is a question on a rule interpretation please contact the office 952-831-9150 ext 1, 2 or 3.

DETERMINED BY THE FOLLOWING:

1. SETS WON/LOSS
