

2008-09 Junior Club Contact/Tryout Information as of 12/15/08

Listed below are dates for clubs who wanted to publish their tryouts. If you attend a tryout and do not make that team, you may still go to as many other tryouts as you would like. If you made that team and would still like to go to other tryouts, you may do that also. No one can tell you that you cannot. However, please attend only tryouts for teams for which you are seriously considering playing! If there is not a club listed in which you are interested, or if you want to know about other clubs in your area, call the region office and we will help you find a team. Please call the contact person listed to confirm dates, times and locations if you are planning to attend.
