2018 Presidents' Day Festival

Mark your calendars for the 28th Annual Presidents' Day Festival February 10-11, 2018 (Ages 11-14) and 17-18, 2018 (Ages 15-18).

Admission

Adults \$6, Students/Seniors(60+) \$4, 6 and under are free. Rates are **per day**.

Awards

Awards will be given to the first and second place teams in each age bracket.

Coaching Meeting

There will be NO COACHES MEETING prior to play beginning Saturday or Sunday.

First Aid/Ice

It is recommended that teams have a first aid kit. **There will be no trainer provided at playing sites.**

Forfeits

If you forfeit any match other than your first, you will automatically finish fourth in your pool.

NOTE: If a team does not have six players at game time, they forfeit the first set. Then a 10-minute interval starts. If before the 10 minutes, they get six players, then the match starts immediately. If they don't have six players at the end of 10 minutes, the 2nd set is forfeited. They can't take time outs to extend the time. You have to have a legal team to take a time out (and the ref will have to have started the match by whistling the teams to the end line –neither of which can happen without six players). During pool play, a team can play with five players however; the match will count as a forfeit. During play-offs no team can play with less than six players. **Score for a forfeit is 25-0, 25-0. If there is a question on a rule interpretation, contact our Officials Coordinator 952-831-9150/800-657-6967 extension 5.**

Match Format

All matches will be 2 out of 3 sets. The first two sets will be to 25 points with no cap. The third deciding set will be to 15 points (switch sides at 8) with no cap.

NO-SHOW FOR ENTIRE POOL PLAY

(Four-team pool will then go to a three team pool schedule)

All matches will consist of three sets to 25 points. Ranking will be based on total wins and losses.

Three-team pool

Teams	Ref	Match
A-C	B	1
B-C	A	2
A-B	C	3

In case of a forfeit, a three-team pool will be used.

TOURNAMENT INFORMATION

Officiating

During pool play on Saturday and pool play Sunday morning, teams must officiate. There will be paid officials for all playoff matches. **The second referee for all playoff matches must be a registered adult.**
***NOTE: Gold Division only-each court will have a paid up official all weekend. The second referee for all matches must be a registered adult.**

Officiating Duties Missed

Failure to provide the officiating crew for your assigned matches could result in the forfeit of the first set of your next match.

Playoffs

Each age division will have a unique playoff format. The numbers on the playoff brackets indicate match numbers in order of play.

Seeding

The seeding is done on a **RANDOM** basis since it is so early in the season.

Tournament Format

All teams will play a four (4) team round robin pool on Saturday morning or Saturday afternoon. All teams will then be put into another round of four (4) team pools to be played on Sunday morning. On Sunday afternoon, all teams will move into playoffs based on results from the two days of pool play.

Travel

Some teams will be traveling between sites on Sunday. **All teams traveling at the conclusion of their Sunday pool play to compete in their playoff bracket at a new location must go directly to their site.**

Warm-Ups

The first two matches of each pool/playoff bracket will receive a 10-minute warm-up (2-4-4 warm-up format); two minutes shared ball handling and four minutes for each team on the court (which includes serving). Serving team will have the net first. **The rest of the matches will receive an 8-minute warm-up, 4 minutes on the court for each team (which includes serving). NO EXCEPTIONS.**

Warm-up Balls

Warm up balls will **NOT BE** PROVIDED. Please bring your own.

Questions

If you have any questions, problems or concerns please call 800-657-6967 extension 1, 2 or 3.

TIE BREAKING PROCEDURE

NO playoff sets will be conducted!

If your team is involved in a tie breaker procedure, DO NOT leave your site until your finish (1, 2, 3 or 4) is confirmed with the site director.

First, determine how many teams are tied in MATCH record so you use the right procedure.

TWO teams are tied:

(When deciding a 2-way tie sets won/lost and point % are never used!)

Use the head-to-head result of the tied teams.

The winner of the match between the tied teams will be the higher seed.

This is the only criteria that will be used!!!

THREE teams are tied:

(When deciding a 3-way tie, HEAD-TO-HEAD results will **NEVER** be used)

1. SET PERCENTAGE

Calculate by taking the total sets won divided by total sets played for all 3 teams.

Example: 6-2 team vs. 6-3 team, It is calculated by $6/8=.75$ and $6/9=.67$ therefore the team with 6-2 record would place ahead of the team with 6-3 record.)

2. POINT SPREAD (for teams tied in set %)

Calculate by taking the points won of EVERY match played minus the points lost.

Example: Team A: 25-20 (+5), 20-25 (-5), 15-10 (+5). Thus, Team A would be +5 for that match. Repeat for remaining matches, adding all results together. Continue this for additional teams that were tied in set %.

3. COIN TOSS (for teams tied both set % and point %)

If teams are tied in point % then placement will be determined by the flip of a coin. The team alphabetically first will be "heads" and the other team will be "tails".
